EMPOWERING NONPROFITS

TO TRANSFORM MORE LIVES
ACROSS DIGITAL PLATFORMS

Is your nonprofit making a difference
across digital platforms?

We get it, it is hard to know if you're using your digital tools the right way. With all the time, money, and effort you put into your digital presence, **knowing the answer to that question is crucial.**

The “Digital Impact” workshop is designed to empower your organization to use digital more effectively, **serving your mission** instead of the other way around.

DESIGNED TO ELEVATE

Elevate your nonprofit's digital presence with purpose. Through the lens of the ART Framework, this workshop empowers teams to navigate digital platforms with a compassionate, people-first approach, moving beyond vanity metrics to create more meaningful connections to impact more lives!

HOOR 1: MASTERING THE ART OF DIGITAL ~~MARKETING~~ MISSION

Introduction to the ART Framework: Learn the concept behind the ART Framework and how it can help your team be more effective across digital platforms.

Utilizing Your Purpose Statement: Learn how to employ your Purpose Statement as a critical filter for all digital activities, ensuring every action aligns with your nonprofit's mission.

Understanding Digital Properties: Learn about three types of digital properties—owned (websites), leased (social media), and permission-based (email/text messaging)—and how to leverage them effectively.

The Integration Roadmap: This session is designed to give team a visual representation of how digital platforms, when used together, can enhance your digital impact.

TO MAXIMIZE ENGAGEMENT AND LEARNING EXPERIENCE, WE RECOMMEND SCHEDULING A 45-MINUTE BREAK BETWEEN THESE TWO SESSIONS. THIS INTERMISSION ALLOWS PARTICIPANTS TO REFLECT AND RECHARGE BEFORE RETURNING FOR THE SECOND HOUR OF OUR WORKSHOP.
